

Q You want to buy an Escargoline ?

Equity crowdfunding helps you to get your project off the ground quickly (on average, it takes 45 days).

Q What is equity crowdfunding ?

It's a crowdfunding service on the Internet that helps you present your project and raise the funds to carry it out.

Q Who supports your project ?

- your networks, your Facebook page
- your friends, your friends' networks, your friends' Facebook pages...
- your family, your family's networks, your family's Facebook pages...
- specialised equity crowdfunding websites

All these people come together on the crowdfunding site to discuss, share and bring your project to life.

Q What to do ?

You simply go to the crowdfunding website and let yourself be guided...

Q How much does it cost? ?

Registration on the crowdfunding website is free. But there is a commission of 5 to 8% on the amounts raised.

Q Are there any quid pro quos? ?

Yes, people who support you financially receive personalised rewards in kind linked to your project. For example: a ride on an Escargoline, etc.

Q Which are the crowdfunding websites ?

The best known are :

- Ulule, <http://fr.ulule.com/>
- Bulb in town, www.bulbintown.com
- Kisskissbankbank, www.kisskissbankbank.com
- Miimosa

Q Facebook's contribution

If you have a Facebook page, in addition to your own text, you can add a video presentation, to be taken from our website www.randoline.com in the Escargoline/Videos section.
