

Examples of delivery prices for an Escargoline

These are average costs, to be recalculated with the carrier for each shipment.

This cost includes the pallet, protective packaging and transport insurance.

Prices include VAT (20%)

Alternative

Delivering bulky items on pallets is always too expensive...

Alternatively, you can bring your own vehicle (at least a small van such as a Berlingo or Partner), or a trailer. And you take delivery of the Escargoline yourself. We'll be delighted to meet you and explain the secrets of the Escargoline to you in detail...

We are located 5 km from the Cahors-sud motorway exit, on the A20 motorway. If you'd like to make the journey in two days, we'll be happy to offer you hospitality and have dinner together.
